

Warrenville Police Department College Student Internship Program

The City of Warrenville Police Department is proud to join efforts with area universities and colleges to offer the opportunity of an internship experience. The non-paid internship offers students an opportunity to observe and work within each division of the Police Department. The program's objective is to provide a meaningful learning experience and an opportunity to assess the police profession first hand. Typical experiences may include: Juvenile Investigations, Adult Investigations, Crime Scene Unit activities, Traffic Enforcement, Patrol Operations, Records and Communications.

An internship with the City of Warrenville Police Department will be a rewarding experience, giving each intern the opportunity to compare and contrast academic teachings to real-life situations. And while each internship experience will vary, it's intention is to provide a comprehensive hands-on learning experience, providing a wide variety of police skill observations, from major crime scenes to daily operations.
