

Wheaton North High School
and
Wheaton Warrenville South High School

December 6, 2009

Dear Mayor Brummel:

Members of the Operation Safe Celebration Committee (OSC) of Wheaton North and Wheaton Warrenville South High Schools are already at work planning the high schools' post prom parties. We are appealing to you as a prior contributor for help in sponsoring the post prom events on April 24th (Wheaton North) and May 1st (Wheaton Warrenville South).

We want to stress the success of this event in bringing together all facets of the community. We receive contributions of time, money, and materials from individuals, schools, service organizations, and business and governmental bodies. The combination of all of these valuable resources allows us to continue to offer our teenagers a safe and substance free evening on prom night. Your \$500 donation will be used to rent large games that will go in the gym the night of Post Prom. The event is well attended by Warrenville students and puts them in a very safe environment for the evening. Your donation goes directly the rental of the games. Approximately 1400 students participated in the 2009 post prom parties. Post prom is open to junior and seniors, whether or not they attend prom.

Your past support of this valuable program is greatly appreciated. The success of its continuation depends on your continued contribution. We hope to provide this outstanding event for teens for years to come. It is our hope that seeing the positive impact of your contribution in our community will encourage you to assist us with a financial contribution for the parties in Spring, 2010.

If you have any questions please feel free to contact us.

Sincerely,

OSC Fundraising Chairpersons
