Announcing

Our 16th Biennial Seminar for Local Government Officials

Elrod Friedman LLP's Biennial Seminar will be conducted in two parts in 2021:

Part I will be entirely virtual, and will be focused on training for newly-elected officials. Topics will include an introduction to Illinois municipal law and governance, the legislative process and Roberts Rules of Order, the Open Meetings Act, FOIA, conflicts of interest, and the Gift Ban Act.

We will schedule separate viewing sessions via Zoom for each of our local government clients on a mutually convenient date in April or May.

Part II will be our traditional in-person seminar, open to all elected and appointed officials and selected commissioner and staff members. The full-day seminar will cover a variety of substantive and topical subjects, along with networking, dining, and an architectural tour. It will take place at our law firm's new home, the iconic Reid Murdoch Center on the Chicago River (325 North LaSalle Street). **The date is currently set for Friday, November 5, 2021.**

Please contact your Elrod Friedman attorney to reserve your date for the Part I presentation, and please advise your officials and staff to save the date (November 5, 2021) for the in-person Biennial Seminar
