## MEMO

To: Members of the Environmental Advisory Commission  
From: David Romero, Civil Engineer   
Subject: APRIL 2022 STAFF REPORT  
Date: APRIL 13, 2022

### **DuPage County Environmental Committee**

The following things were discussed at the April 5th meeting of the DuPage County Environmental Committee. Attached are the summary of minutes.

- The 2021 Solid Waste & Recycling Annual Report was presented. Data from 28 members who responded to a County survey on solid waste and recycling was incorporated into the report. Staff reported the diversion of 32% of material from landfills. State goals for diversion of material from landfills was reported at 45/50/55% for 2025/2030/2035. Data was also provided for household hazardous waste, electronics, and prescription drug diversions. The Committee discussed actions needed to meet state goals for diversions from landfills.

### **DuPage County Stormwater Management Committee**

The following things were discussed at the April 5th meeting of the DuPage County Stormwater Management Committee. Attached are the summary of minutes.

- The Committee recommended approval of intergovernmental agreements with the Villages of Winfield and Burr Ridge for projects in their respective communities.
- A \$654,005.25 contract for the Country Club Highlands Drainage Improvement Project was recommended for approval. The matter was labeled ARPA ITEM.
- The Stormwater and Public Works Committees recommended approval of 2022-2025 dues for the DuPage River Salt Creek Workgroup in the amount of \$808,567. This fee includes stormwater and wastewater operations.

### **Public Information Meeting – Trailhead Project (Community Development)**

*Strategic Plan Goals #3: Open Space and Environment*

On March 16th, staff conducted a virtual public information meeting for the Trailhead Project. Staff presented information on the need for the project, stakeholder coordination, design components, funding, and the tentative construction schedule. A copy of the video recording of the meeting is available on the City's YouTube website. Staff will post a copy of the presentation slides on the project website: <https://www.warrenville.il.us/754/Trailhead-Project>

**Route 59 Multi-Use Paths Preliminary Engineering Project (Community Development)***Strategic Plan Goal #4 City Infrastructure*

Last week, the City's engineering consultant began survey work along Route 59 from Batavia Road to Continental Drive/Meadow Avenue, which will be completed early next week. Upon completion, three design alternatives will be discussed with staff. The preferred design alignment will be presented to City Council for acceptance. Then, after the preferred design alignment is approved by the Federal Highway Authority, a public meeting will be held sometime in fall 2022.

**Mack Road Bridge and Trail Update (Community Development)***Strategic Plan Goal #4 City Infrastructure*

The City received design approval from IDOT for the Preliminary Engineering Project Development Report. Staff intends to discuss the project with City Council at the May 2, meeting.

**Old Town Redevelopment Site #2 Preferred Plan Signage (Community Development)***Strategic Plan Goal #1 Economic Development*

At the March 21<sup>st</sup> meeting, the City Council accepted the preferred plan for the City's Old Town Redevelopment Site #2. The City has erected two, four foot by five foot signs on the site that will depict this preferred plan, provide a statement that the project is partially funded by an EPA Revolving Loan Program, and include contact information and a QR code for the project website. The final poster image is attached.

**Special Olympics Illinois (SOI) Polar Plunge Reminder (Police)**

On March 12th, Warrenville Police Department and Fire Protection District personnel teamed up to participate in the SOI Polar Plunge fundraising event to support SOI athletes. The event raised \$3,025 and was live-streamed on the City Facebook page. Event photos were placed on the City website (Police Events: <https://il-warrenville2.civicplus.com/760/Police-Events>) and a thank-you message also was posted to City media.

**March Clothing Drive (All Departments)**

During March, in recognition of both Women's History Month and International Women's Day, staff collected clothing for Poised for Success, a DuPage nonprofit agency whose mission is to provide interview and business appropriate clothing to women in need who are seeking employment, at no charge. Agency volunteers also assist women in building self-esteem and interview skills to help them become self-sufficient and financially independent through employment. The clothing drive was a huge success with generous donations of clothing, shoes, scarves, and other accessories.

**Street Division Updates (Public Works)***Strategic Plan Goal #4: Infrastructure*

Street Division staff continued tree trimming on Cynthia Drive in the Summerlakes subdivision. Staff also changed the police station parking lot lights from high pressure sodium bulbs to LED.

**Utility Division Updates (Public Works)***Strategic Plan Goal #4 Infrastructure*

This week, Utility Division staff started flushing fire hydrants citywide, working in Maple Hill subdivision and in the north part of the Summerlakes subdivision. It takes about three weeks to flush the entire water system. Flushing is completed twice a year to maintain water quality, and ensure hydrants are properly working.

**Prescription Drug Recycling Program Update (Police)**

*Strategic Plan Goals #3 Open Space and Environment and #5 Public Safety*

In March, two drug recycling program pickups were made from the medication drop box located in the Police Department front lobby. A total of 44 pounds of medication weighed in their containers was removed by the contracted company for safe disposal.

**DU PAGE COUNTY  
ENVIRONMENTAL COMMITTEE  
FINAL SUMMARY**

---

**April 5, 2022**

**Regular Meeting**

**8:30 AM**

---

**ROOM 3500A  
421 NORTH COUNTY FARM ROAD  
WHEATON, IL 60187**

**1. CALL TO ORDER**

8:30 AM meeting was called to order by Chair Sheila Rutledge at 8:31 AM.

**2. ROLL CALL**

PRESENT: Puchalski, Chaplin, LaPlante, Chavez, Rutledge

ABSENT: Hart

Members Paula Deacon Garcia, Ashley Selmon and Mary FitzGerald Ozog were in attendance.

**3. CHAIRWOMAN'S REMARKS - CHAIR RUTLEDGE**

Chair Rutledge commended Comcast for their commitment to carbon neutrality by 2030 and are investing in a solar array outside of Morris, Illinois which will be the largest in the country, based on an article from the Chicago Tribune. The UN Climate Report continues to promote sustainable energy and removal of CO2 and methane. Food scrapping and composting need to be encouraged so it does not go to landfills.

**4. PUBLIC COMMENT**

Ms. Kay McKeen, from SCARCE, noted the 16th Annual Sustainable Design Challenge is taking place today with 6 high schools participating. A project just has been completed regarding household battery recycling. In Wheaton this Saturday, 1045.1 lbs were collected in 3 hours all but 2 cars out of 856 were willing to pay for this service. These are going to Hazchem and she thanked them for their assistance. Addison Township will be earning the Earth Flag and the Water Quality Flag in May. Addison and Wheaton collected over 5000 lbs of books for re-use or recycling at their events. SCARCE will be doing a green audit on Wednesday at A J Antunes, a family owned business in Carol Stream. The company already has a solar roof, they will be part of the storm drain medallion project and started composting.

Ms. Bev Jaszczurowsiki, Chief Operating Officer SCARCE, continued by mentioning 50 Overcup Oak trees were donated and will be available at the Garden Market on April 30th. These trees are especially good at absorbing water and would work well for wet properties.

**5. APPROVAL OF MINUTES**

## A. Environmental Committee - Regular Meeting - Mar 1, 2022 8:30 AM

<b>RESULT:</b>	<b>ACCEPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Elizabeth Chaplin, Vice Chair
<b>SECONDER:</b>	Amy Chavez, District 5
<b>AYES:</b>	Puchalski, Chaplin, LaPlante, Chavez, Rutledge
<b>ABSENT:</b>	Hart

**6. STAFF REPORTS****A. 2021 Solid Waste & Recycling Annual Report**

Ms. Joy Hinz, Environmental & Sustainability Programs Manager, presented a PowerPoint informing the committee of the results which is now a part of these minutes.

Member Puchalski asked about only having 28 communities reporting. Ms. Hinz replied all communities will be given this information and hopefully the other communities will provide information in the future. Member Chavez asked the committee to look at a way to partner with trash haulers, perhaps encouraging a smaller trash bin. Member LaPlante asked for the reasons the County is falling short from where it needs to be. She went on to ask Ms. Hinz to find causes, ways to improve and inform the committee. It was suggested by Member Chavez to look at other communities around the country that are more successful in their recycling efforts. Echoing these sentiments, Vice-Chair Chaplin suggested King County as a possible source of information.

## 1. PowerPoint of 2021 Waste &amp; Recycling Annual Report

## 2. 2021 Solid Waste &amp; Recycling Annual Report

**B. Environmental Division FY2022 Strategic Initiatives**

Ms. Joy Hinz explained the three main objectives for the strategic plan for 2022. First, an engineering firm will be selected to assist in gathering the waste generation and infrastructure data to help establish the goals for a five year solid waste plan. This would help in the discovery of the causes and develop a framework for a plan to be considered by the committee. Second, is to assess waste & recycling hauling service opportunities for the unincorporated areas of the County. The third initiative is to review campus food service packaging. Chair Rutledge indicated she would like the foam packaging to be removed.

**C. 2022 Compost Bin Sale**

The County is partnered with The Conservation Foundation and the Forest Preserve District of DuPage County to sell rain barrels and compost bins at the plant sale event on May 13th and 14th. Residents can pre-order now

#### D. Arbor Day/Tornado Tree Giveaway

DuPage County and Morton Arboretum are working together to give away trees to households affected by the recent tornado. On April 30 at Woodridge Wastewater treatment plant, registered residents can receive one tree per household. The trees being offered are Autumn Splendor Buckeye, Eastern Redbud Columbus strain, Persimmon, Morton Exclamation planetree and Triumph Elm.

### 7. OLD BUSINESS

Member Paula Deacon Garcia inquired about AA battery recycling. Ms. Hinz responded the IL and US EPA have said in the past it is ok for single use batteries to be landfilled. Companies like Hazchem, which the Wheaton event used do recycle but there is a cost. The event held on Saturday showed people will pay for this service. DuPage County does collect and recycle the batteries used for County business. Other options would be using a mail back program such as TerraCycle.

Member Amy Chavez asked for actionable recycling items for the next meeting. Ms. Hinz suggested to start by first bring in the local trash hauler companies, perhaps one by one, to better understand the solid waste issue and ideas for moving forward. Outreach and education for the residents is needed and looking at what will work for our community. Ms. Hinz also thought the Illinois Materials Management Advisory Committee report could be helpful as well.

Vice-Chair Chaplin left the meeting at 8:56 AM.

### 8. NEW BUSINESS

Member Garcia brought up green cell foam used for packaging. This foam is compostable and also easily dissolves. She questioned why this is not used more often.

### 9. ADJOURNMENT

There being no further business, the meeting was adjourned at 9:02 AM.
