Mayor Brummel issued the oath of office to Brian Owens.

**C. ROLL CALL**

**PRESENT:** Chair Monica Johnson, Commissioners Linda Osborn, Brian Owens, Sue Piscoran, and Judy Wilkie.

**ALSO PRESENT:** Staff Liaison Leonardo Beltran.

**ABSENT:** Council Liaison Clare Barry.

**E. CITIZEN COMMENTS**

**F. STAFF REPORT**

Staff Liaison Beltran informed the Commission that Warrenville hoteliers had better financial performance as compared with other Northwestern DuPage hotels.

All FY23 Grant Award Letters were e-mailed to grantees after being approved by the City Council. In addition to the upcoming dates to remember, City offices will be closed on April 15, 2022 for a scheduled Spring Holiday.

**G. BUSINESS OF THE MEETING**

1. Discussion of Aesthetic Enhancement Program

Chair Johnson lead a discussion regarding the Aesthetic Enhancement Program and reminded the group that monies for art are planned to in even-year budgets, however, there is uncertainty as to when these funds may be reinstated. Nonetheless, the Commission should continually look for aesthetic enhancement ideas and opportunities as the lead time

for planning and procuring works of art can take several years. The group re-reviewed the mosaic art featured at bachor.com, as well as the origami-inspired sculptures created by Box Studio.

With work scheduled to begin for the trail head project in August 2022, it was suggested that we collaborate with the architect to seek his recommendations for how possible artwork can complement his designs.

There were also discussions about exploring a wall mural on the side of the building adjacent to the war memorial. Others commented that we might want to explore replacing the fountain. We recalled we had talked about a lighted flame sculpture by Matthew Placzek in past, which would replace the fountain and honor our veterans.

Commission Piscoran mentioned that she had met with a local artist, Joshua Schultz, for possible consideration on future projects. Other ideas discussed included a sculpture garden (by Batavia and Warrenville Rds.), interactive art, and miniature golf with statues.

The Commission will continue exploring new ideas for possible aesthetics initiatives.

The Staff Liaison Beltran was approached by the Inclusion, Diversity, Equity and Awareness Commission (IDEC) to investigate if the Tourism and Arts Commission (TAC) would consider procuring art that would promote diversity and inclusion. The TAC Commission indicated they would consider this approach and asked Liaison Beltran to follow up and determine, if they are considering diversity in selecting an artist, in the art created, or both.

2. Discussion of Annual Brochure and Postcards

Staff Liaison Beltran reported that plans to finalize the brochure and postcard are underway. The map is being reviewed for accuracy. He shared the designs with the group, highlighting a QR code for events, and a second code for bicycle trails. The Commission supported the designs.

3. Review of Final Reports – None.

**H. COMMISSIONER COMMENTS/REPORTS**

Chair Johnson reported that she was approached by a Warrenville resident who knows a writer that creates a local newsletter that oftentimes promotes local events and wondered if the Commission could support her efforts. After discussion it was concluded that it is not in the Commission's purview to support her efforts monetary.

Commissioner Osborn asked if it would be appropriate for her to contact an Alderman for advice on how to improve the landscaping by the Police Sculpture. Staff Liaison Beltran will get clarification from Administration to determine if approaching the Alderman would be in violation of the Open Meeting Act.

**CITY OF WARRENVILLE  
TOURISM AND ARTS COMMISSION  
REGULAR MEETING**

Thursday, April 14, 2022 at 7:00 p.m.  
In the Gallery Conference Room  
at City Hall, 28W701 Stafford Place, Warrenville

**MINUTES**

**A. CALL TO ORDER**

The meeting was called to order by Chair Johnson at 7:02 p.m.

**B. ROLL CALL**

PRESENT: Chair Monica Johnson, Commissioners Linda Osborn, Brian Owens and Judy Wilkie.

ALSO PRESENT: Staff Liaison Leonardo Beltran.

ABSENT: Commissioner Sue Picoran and Council Liaison Clare Barry.

**C. APPROVAL OF THE MARCH 17, 2022 MINUTES**

Chair Johnson stated that she had some changes to the minutes.

Under section G.1 Discussion of Aesthetic Enhancement Program, the sentence should be added “We recalled we had talked about a lighted flame sculpture by Matthew Placzek in the past which would replace the fountain and honor our veterans.” Chair Johnson additionally wanted to include that she had restated that we had realized our past purchase/commissions were from white, male artists, and we had discussed being purposeful about seeking future purchases/commissions by female artists or artists of color.

In section H. Commissioner Comments/Reports that the person that contacted the Chair regarding supporting the efforts of the individual writing the newsletter promoting local events was not the writer of the newsletter but another citizen.

Motion by Commissioner Wilkie to approve the March 17, 2022 Minutes as amended; seconded by Commissioner Owens and unanimously approved by voice vote.

**D. CITIZEN COMMENTS**

No citizens present.

**E. STAFF REPORT**

Liaison Beltran reported City Staff had conducted a virtual public information meeting for the Trailhead Project. A copy of the video recording of the meeting is on the City’s YouTube website.

In addition to the Staff Report Liaison Beltran advised Commissioner Osborn that she could contact an Alderman for assistance regarding plants being used at the Police Sculpture. It would not be a violation of the Open Meetings Act to ask a question with the dialogue being between Commissioner Osborn and the Alderman only.

**F. BUSINESS OF THE MEETING**

1. Review and Discuss the Hotel Tax Grant Program Application

Commissioners agreed that adding the boxed area showing the requested funding was very helpful and that the application worked well.

2. Review and Discuss the Warren Tavern Grant Program Application

Commissioners agreed that the application was a good form but did want to add the signature page found in the Grant Program application.

3. Discussion of Aesthetic Enhancement Program

The Commissioners reviewed the artists already discussed in previous meetings. Commissioner Wilkie brought up the Naperville murals which were done by a woman artist.

A possible mural at the Trailhead Building was discussed. Staff Liaison Beltran pointed out that there could be a length approval process for the mural as the City of Warrenville was given permission for the building but not for any art. This approval process could involve ComEd and DuPage County. With these complications in mind, the commissioners felt that finding other City owned sites for public art might be a better choice. The possible replacement of the fountain in the War Memorial was again brought up as well as the fountain in Bob Walters Common. It was not known if this was a city owned site. The Commissioners engaged in a “brain storming” session to find other possibilities and how to search for artists.

A brief discussion was held regarding a possible partnership with IDEC regarding art. Liaison Beltran will look into what IDEC had in mind.

4. Discussion of Annual Brochure and Postcards

Liaison Beltran passed out the 2022-2023 brochure and postcards. The brochure includes a QR Code in the events section, that when scanned links to the City website with information on events and the brochure. A QR Code for the Bicycle and Pedestrian Commission website was also included. The postcards contain the same QR codes and will also be at the same locations as brochures. Postcards will not have to be printed as often as yearly changes will be made to the City’s website. A limited number of brochures will be printed yearly, which will reduce overall costs. Liaison Beltran will have further information on how the changes will be made the website and who will make the changes at our next meeting. The Commissioners all liked the look of the postcard and the brochure and thanked Liaison Beltran for all the work he put into the project.

5. Review of Final Reports – None.

**H. COMMISSIONER COMMENTS/REPORTS**

None.

**I. ADJOURN**

Motion by Commissioner Wilkie, seconded by Commissioner Owens to adjourn the meeting at 8:14 p.m. Motion unanimously approved by voice vote.

**E. STAFF REPORT**

Staff Liaison Beltran reported that the current Hotel Tax Grantees were notified via e-mail regarding reimbursement requests and final reports due no later than June 6, 2022.

Staff Liaison Beltran also mentioned that the Hotel Tax Program will appear in the June and July 2022 Hometown Happenings Newsletter.

Staff Liaison Beltran reviewed upcoming meetings and dates including that the 2022 Bike Rodeo will be taking place Saturday, May 14th and City Hall Offices will be closed on Memorial Day.

**F. BUSINESS OF THE MEETING**

1. Review and Discuss the Hotel Tax Grant Program Application

2. Review and Discuss the Warren Tavern Grant Program Application

Business of meeting topics 1 and 2 were combined. Staff Liaison Beltran recapped that the revisions made to the documents were the updated 2022 & 2023 dates and the format

requirements on page 2 were updated from 10 copies to 8. Chair Johnson suggested that next April or May 2023 to discuss formatting and a digital submission process.

Staff Liaison Beltran mentioned that this will be hybrid year and will try electronic collation of the documents in September 2022 and would try to compile 1 PDF document. Chair Johnson recommended to only include the pages that TAC needs to review (i.e. no signature pages need to be reviewed). Commissioner Picoran mentioned that the ability to search through a PDF would save time when looking for specific information.

Staff Liaison Beltran mentioned that if there are any further updates to the documents to let him know.

3. Discussion of Aesthetic Enhancement Program

TAC continued to brainstorm various art ideas for the city and specific locations. One possibility previously discussed was the Veterans Memorial Fountain Area. Staff Liaison Beltran stated that this is city property and would need to work with the City Council or possibly the local Legion Commander. Staff Liaison Beltran suggested that the fountain in the commons area is also city property as well and this location may be better suited for our needs.

Chair Johnson inquired about the timing of funding. Staff Liaison Beltran mentioned that FY24 planning does not kick off until October 2022 after the audit is complete and the audit report has been presented. The earliest funding for art would be FY24, assuming that funds are available and that the amount would be determined by working with the city council. Chair Johnson mentioned the importance of planning and that TAC must be prepared for when/if funding comes through. Commissioner Osborn also emphasized this and that continuing to brainstorm was a good idea. She mentioned an upcoming event Sculpture in the Park in St. Charles.

Chair Johnson stated that an informal pledge has been made regarding artist diversity. Chair Johnson responded favorably to a request sent by Staff Liaison to contact IDEC chair to discuss possible collaboration on procuring art pieces.

Chair Johnson stated that to plan properly we need to know the locations of potential areas of property owned by the city. Staff Liaison Beltran said he will look into finding and gathering this data.

Further brainstorming of various art ideas included:

- Council Liaison Barry mentioned the idea of purchasing an Alebrijes exhibit that will be displayed in Cantigny beginning in June 2022 might be a good way to go.
- Council Liaison Barry mentioned the idea of a mural on the side of the building that is adjacent to the Veterans Memorial Fountain Area and brought up the idea of a potential design competition.
- Chair Johnson mentioned the Seed Sower – Origami in the Garden Exhibit that took place at the Morton Arboretum.

Chair Johnson encouraged all members to keep an eye open on their travels and be on the lookout for artwork and sculptures.

4. Review of Final Reports – None.

**H. COMMISSIONER COMMENTS/REPORTS**

Commissioner Picoran asked about the possibility and history of any TAC fundraising to supplement a decreased Hotel Tax budget and art funding. Chair Johnson said that TAC is not able to fundraise, and that the TAC budget only comes from what is budgeted through the city. Staff Liaison Beltran added that any sort of fundraising would require the city's approval and that there may be restrictions that may need to be investigated.

Chair Johnson mentioned that May 21st is the Warrenton In Bloom plant sale.

**I. ADJOURN**

**D. CITIZEN COMMENTS**

No citizens present.

**E. STAFF REPORT**

Staff Liaison Beltran reported that the current Hotel Tax Grantees were notified via a 2<sup>nd</sup> e-mail regarding reimbursement requests and final reports due no later than June 6, 2022.

Staff Liaison Beltran reviewed upcoming, grant events, meetings and dates including that included the months of June and July 2022.

**F. BUSINESS OF THE MEETING**

1. Discussion of Hotel Grant Workshop

The July Workshop power point presentation was reviewed. It was suggested that the wording concerning the possible total amount to be budgeted for all grants be clarified to ensure applicants understand that at this point the amount has not been budgeted or approved by the city council. Liaison Beltran will tweak wording and send a copy of the power point out for review before the July workshop.

2. Review and Discuss the Hotel Tax Grant Program Application

No additional changes needed.

3. Review and Discuss the Warren Tavern Grant Program Application

No additional changes needed.

4. Discussion of Aesthetic Enhancement Program

A lengthy discussion took place concerning the Alebrijes Artwork being produced at Cantigny. Chairman Johnson mentioned she also had a conversation with Sara Phalan from the Warrenville Historical Society. Sara is working on the committee that has brought the artists to Cantigny. Possible cost of purchasing a piece of the art ranges from \$5,000-15,000. Sara also offered to assist the committee in searching for diverse artists. Monica is going to invite Sara to attend the September meeting so she can answer commissioner questions and give more information on the art work.

Liaison Beltran shared a map of city property and discussion ensued as to the pros and cons of possible sights to place future art work. Possible sites along the river and the old bank building were discussed along with the two fountain areas near city hall. Leo will try to find out who paid for the fountains. Monica is going to speak with Jenny Lund concerning the Veterans Memorial to see if she has more information for the commission.

A discussion also took place about the possibility of working with Wheaton Warrenville Community Unit School District 200 so that art work could be placed on the Johnson Elementary school sight. City would need to negotiate an agreement with the district but this has taken place in the past, so it is entirely possible.

A dialog took place concerning the possibility of art work being placed near the Welcome to Warrenville signs around the city but Chairman Johnson and Alderwoman Barry informed us of several restrictions the city must follow concerning signage.

Chairman Johnson participated in a phone call with the IDEC Commission chair. That commission would like to work with TAC to see if there could be a more diverse scattering of art work placement and ethnicity of artists. The IDEC chairman may attend the July TAC commission meeting/workshop.

Commissioner Osborn gave the Commission members information concerning the Police Sculpture. The art work needs to be cleaned. Some of the grasses and flowers that were

planted last Fall have come back but not all. Commissioner Osborn attended a seminar on drought tolerant plants and suggested plants that could be planted. She has most plants in her yard currently and would be willing to donate them for planting. The area would need to be expanded and edged so drought tolerant vegetation could be planted. Leo will contact Jamie in public works and put him in contact with Commissioner Osborn so she can meet with him at the sight to explain the plan.

5. Review of Final Reports

No questions on the Artist in Residency or Warrenville in Bloom submissions. Leo Beltran made the commission aware that Warrenville Historical Society had a question today (meeting day) about only \$300.00 being reimbursement for the Spring Tea instead of \$400.00. The commission had only approved \$300.00. Liaison Beltran referred Historical Society to the information on reimbursement in the grant application. Leo also mentioned that the deadline had passed to make any changes to the budget. All FY 2022 reimbursements for are completed, in preparation for the July 2022 outside audit.

**G. COMMISSIONER COMMENTS/REPORTS**

1. Hotel Grant Workshop

Chair Johnson presented the FY2024 Hotel Grant Workshop providing an overview of the hotel tax, funding amounts/categories, application process requirements, application review process, useful tips, what happens after a grant is awarded, as well as ongoing impacts of COVID-19 and other public safety concerns.

Key dates presented were the application due date of September 12, 2022 by 5pm, the September-December 2022 TAC meetings where applications are reviewed & discussed. TAC presents its recommendations to Committee on January 23, 2023 and the City Council for vote on February 6, 2023.

Sara Phalen provided information regarding the Alebrijes exhibit at Cantigny and the possibility of obtaining/commissioning an Alebrijes piece. The pieces on display today are not built for long term outdoor northern Illinois weather. To be placed outside, artists are trying a method of fiberglass and an anti-graffiti coating. Regarding a specific artwork

commission, there are several options where the piece could be made in Mexico and shipped to Warrentville or could start in Mexico and be finished in the United States. The specific artwork commission could be Warrentville specific and would take about 3 months to complete. For a small commissioned piece, the price would be ~\$5k and would range \$15-20k for a larger piece.

The meeting was called to order by Chair Johnson at 7:02 p.m.

**B. ROLL CALL**

**PRESENT:** Chair Monica Johnson, Commissioners Linda Osborn, Brian Owens.

**ALSO PRESENT:** Council Liaison Clare Barry, Staff Liaison Leonardo Beltran and Communications Coordinator Paula Krapf.

**ABSENT:** Commissioners Sue Picoran and Judy Wilkie.

**C. APPROVAL OF THE JULY 14, 2022 MINUTES**

Motion by Commissioner Osborn to approve the July 14, 2022 Minutes as written; seconded by Commissioner Owens and unanimously approved by voice vote.

**D. CITIZEN COMMENTS**

None.

**E. STAFF REPORT**

Staff Liaison Beltran reported that TAC Hotel Grantees were emailed a Microsoft Word copy of the FY2024 application. CoffeeCon will not be held this fall, as planned, due to coffee roasters experiencing staffing shortages and supply chain issues. The City offices will be closed on Monday, September 5 for Labor Day. Upcoming TAC granted events and other relevant meeting and event dates were shared.

**F. BUSINESS OF THE MEETING**

1. Introduction to New Communications Coordinator

TAC Commissioners were introduced to Paula Krapf, who spoke about her roll as the new Communications Coordinator for the City.

2. Review and approval FY23 MultiCultural Festival Budget Amendment

Shari Potter, as a representative from the Warrenville Park District, had requested via email that TAC consider allowing the amount of \$196.22 to be moved from the Tourism category, which was fully used up on the rental of the stage and sound system, to the Events category, which had funds left to spend. The costs of the stage and sound had risen since the WPD had obtained the estimate, and that caused a shortage in that

category. It was also requested that TAC approve the expense for a performer that was not listed on the grant application, as they were a substitute for a performer previously listed. The motion was made to approve both expenses for reimbursement by Chair Johnson and seconded by Commissioner Owens. The motion carried unanimously.

3. Review and approval FY23 Warrenville In Bloom Budget Amendment

Warrenville in Bloom requested that TAC consider a request to reimburse the expense for planters purchased by a vendor that was different than the one listed on their grant application. The cost was less from the new vendor. Commissioner Osborn made the motion to allow the switch in vendors so that the expense could be reimbursed, the motion was seconded by Chair Johnson, and the motion passed unanimously.

4. Discussion of Aesthetic Enhancement Program

Staff Liaison Beltran stated that, when he questioned the City Budget Director regarding the reinstatement of the funds for the Aesthetic Enhancement Program, it was the Director's opinion that the funds would return to TAC's budget in FY24. With that in mind, TAC will continue to research possible artwork ahead of time, as it is challenging to identify, create and install public artwork all within one budget year.

Ideas at the top of the list are to research the possibility of acquiring a piece from the current Alebrijes exhibit at Cantigny Park. Since these pieces cannot withstand outdoor conditions for as long as the commission would like, Chair Johnson will talk with the Warrenville Public Library to see if they may have an indoor space for a piece like this and report back to TAC.

Commissioner Osborn shared articles pertaining to a muralist from Aurora IL, Rafael Blanco, who TAC may be interested in talking to. One of the photos showed a mural created by a local community on pieces of wood, which were then installed on an outdoor wall. This might be an idea for Warrenville once a location is identified.

5. Final Reports

None.

**G. COMMISSIONER COMMENTS/REPORTS**

Commissioner Osborn reported that she met with Public Works to enlarge the mulched area around the Police Sculpture in front of the Police Station. Additional plants were purchased by the City and planted at the site. She is quite pleased with the result, and thanks Public Works for their assistance.

**H. ADJOURN**

Motion by Commissioner Osborn, seconded by Commissioner Owens to adjourn the meeting at 7:35 p.m. Motion unanimously approved by voice vote.
