

# CITY OF WARRENVILLE

## MEMO

To: Bicyclist and Pedestrian Advisory Commission Members  
CC: City Administrator White  
From: Kristin Youngmeyer, Public Works Management Analyst *KY*  
Subject: NOVEMBER MONTHLY REPORT  
Date: November 3, 2022

**This report is intended to provide communication from the Commission Staff Liaison to the Bicyclist and Pedestrian Advisory Commission members on a monthly basis. It is copied to the City Administrator. Please contact me if you have any questions or comments.**

### **Speed and Traffic Volume Assessments**

Between October 3 and October 13, 2022, a speed compliance and traffic volume assessment was conducted on Herrick Road at Husky Highway. Data obtained from this location has been added to the *Speed Compliance and Traffic Volume* chart, and is attached to this report for reference. Data obtained from these locations are attached to this report for reference.

### **Trunk or Treat Event**

On Saturday, October 15, City Officers Snapp and Tufano represented the Police Department at the St. Irene Trunk or Treat event. Approximately 70 kids stopped by to see the officers who handed out elasticized reflective bands, police patch temporary tattoos, and candy.

### **Ride Illinois Recorded Webinars on Bike Safety**

Ride Illinois offers free, informative, collaborative webinars to share information related to bicycle safety, including topics such as cold weather riding and biking for transportation in winter. Recorded webinars can be watched at the following address: <https://rideillinois.org/events/online-learning/>

### **Ride Illinois Bicycle Safety Quiz Mini-Grants for Schools**

Ride Illinois' BikeSafetyQuiz Mini-Grant program offers public and private schools in Illinois \$2 per student who completes BikeSafetyQuiz. All the pertinent information can be found at <https://rideillinois.org/safety/bsqgrant>

### **Why Halloween Can be Dangerous in America**

Cars kill more pedestrians on Oct. 31 than any other day of the year. The risk of death increases 43% compared to other nights in the US, according to one study. This Bloomberg CityLab article highlights what some cities are doing to make the night safer for pedestrians. <https://www.bloomberg.com/news/articles/2022-10-28/the-real-reason-halloween-is-scary-in-america-is-pedestrian-traffic-deaths?srnd=citylab-transportation>
