**Saturday, August 8 – 12-11:30P**

Summer Daze in Warrenville is an event sponsored by the City of Warrenville, Warrenville Park District and the Western DuPage Chamber of Commerce. This year will be the 48<sup>th</sup> year of this community festival which was first called the Car Show and was originally sponsored by the Warrenville Chamber of Commerce in cooperation with the City of Warrenville.

The Warrenville Park District took on the role of lead agency for the festival at the request of the City of Warrenville Mayor Brummel and Alderman Matt Weisbrook in 2010.

There is a Summer Daze committee that is vital to the organization of this event, and it consists of members from: City of Warrenville Staff, City of Warrenville Alderman, Warrenville Fire Department Chief, EMA Personnel, Warrenville Public Library Director, Warrenville Police Department, and NorthStar Credit Union personnel. The following Warrenville Park District staff are on the committee: Executive Director, Park Board Member, Superintendent of Parks and Planning, Superintendent of Recreation/Safety Coordinator, Fitness Supervisor, Athletic and Facility Supervisor, Finance Supervisor, Marketing/Special Event Supervisor and Office Manager.

The entertainment portion of the budget is funded by Hotel Grant Funding that consists of \$30,000. The rest of the event is funded by sponsors, funds raised during the event, and the Warrenville Park District's budget. None of the Warrenville Park District staffing expenses are funded by the Hotel Motel Grant Funding.

An additional \$11,000 Hotel Grant funds are also received and earmarked for the City of Warrenville personnel who are responsible for setting up the 10x10 tents, one 20x20 tent and tables for the food booths. The City personnel are also responsible for the garbage collection and electrical set up for the food booths and main stage. This funding also goes towards the police patrol for the event. Warrenville EMA assists with the street closings for the event.

Fall Fest is a community festival for families of all ages, not only Warrenville, but also the surrounding communities. The event is free for those wishing to attend, although, a minimal wrist band fee is charged for the children to play games and participate in the inflatable area. This event is supported by TAC dollars and is run by the Park District. In 2015 we included limited beer and wine and in 2018 we added a petting zoo. Due to the event being held at the Recreation Center only, we do not require any city streets to be closed for the event. The only areas that are closed are outside the building along the back parking lot for the food and beverage tent and petting zoo, which is included in the diagram.

350-400 trick-or-treat bags are given to children who purchase a wristband to play games and use the inflatables. NuMark Credit Union gives away 650 caramel apples. There are a lot of activities and things to do at Fall Fest such as games, inflatables, balloon twister, caricaturist, petting zoo and crafts. The outdoor tent area also provides an opportunity for people to get dinner or enjoy a drink while listening to a live music.

Registration is not taken at the event which makes it very difficult to track the amount of outside people that attend, but hundreds of people are generally in attendance.
