A Change Order may include additions to and deletions from the Services and will include any equitable increases or decreases to the Compensation for the Services

2. Revision Notices. Within 10 business days after the date of a Change Order, and in any event before the Consultant begins work on any changed Services, the Consultant must notify the City in writing if the Consultant desires a revision to the Change Order ("**Revision Notice**"). The Revision Notice must clearly state the Consultant's requested revisions and the reasons for the revisions. If the City agrees to any revision, then the City will issue a revised Change Order in a form acceptable to the Parties. 3. No Change in Absence of Change Order. No claim for an adjustment in Compensation or project schedule will be made or allowed unless it is embodied in a Change Order signed by the City and the Consultant. If the Consultant believes it is entitled to an adjustment in the Compensation or project schedule terms that has not been included, or fully included, in a Change Order, then the Consultant may submit to the City a written request for the issuance of, or revision of, a Change Order including the desired adjustment. The Consultant's request must be submitted before the Consultant proceeds with any Services for which an adjustment is desired. Regardless of the decision of the City relative to a claim submitted by the Consultant, the Consultant shall proceed with all of the work required to complete the Services under this Agreement as determined by the City without interruption.

F. Taxes, Benefits, Royalties. The Compensation includes all applicable federal, state, and local taxes of every kind and nature applicable to the Services, including, without limitation, all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs, royalties and fees arising from the use on, or the incorporation into, the Services, of patented or copyrighted equipment, materials, supplies, tools, appliances, devices, processes, or inventions. The Consultant waives and releases any claim or right to claim additional compensation by reason of the payment of any tax, contribution, premium, costs, royalties, or fees.

G. Completion and Acceptance of Services. The Services, and any phase of the Services, will be considered complete on the date of final written acceptance by the City of the Services or each phase of the Services, as the case may be.

The Consultant will notify the City as soon as practicable prior to terminating the employment of, reassigning, or receiving notice of the resignation of, any Key Project Personnel. The Consultant will have no claim for damages and may not bill the City for additional time and materials charges as the result of any portion of the Services that must be duplicated or redone due to termination or for any delay or extension of the Time of Performance as a result of any termination, reassigning, or resignation.

B. Availability of Personnel. The Consultant will provide all personnel necessary to complete the Services including, without limitation, any Key Project Personnel identified in this Agreement or in the Scope of Services.

C. Approval and Use of Subcontractors. The Consultant will perform the Services with its own personnel and under the management, supervision, and control of its own organization, unless otherwise approved by the City in writing. All subcontractors and subcontracts used by the Consultant will be acceptable to, and approved in advance by, the City. The City's approval of any subcontractor or subcontract will not relieve the Consultant of full responsibility and liability for the provision, performance, and completion of the Services as required by this Agreement. All Services performed under any subcontract will be subject to all of the provisions of this Agreement in the same manner as if performed by employees of the Consultant. For purposes of this Agreement, the term "Consultant" will be deemed also to refer to all subcontractors of the Consultant, and every subcontract will include a provision binding the subcontractor to all provisions of this Agreement.

SECTION 4. TERM OF AGREEMENT.

A. Term. The term of this Agreement, unless terminated pursuant to the terms of this Agreement, will expire on the date the City determines that all of the Services under this Agreement, including warranty services, are completed. A determination of completion will not constitute a waiver of any rights or claims that the City has, before or after completion, with respect to any breach of this Agreement by the Consultant or any right of indemnification of the City by the Consultant.

B. Termination. Notwithstanding any other provision hereof, the City may terminate this Agreement, at any time and for any reason, upon seven days prior written notice to the Consultant. In the event that this Agreement is so terminated, the Consultant will be paid for Services actually performed and reimbursable expenses actually incurred, if any, prior to termination, not exceeding the value of the Services completed as determined as provided in the Scope of Services.

Any outstanding payment obligations may not be used as a basis to withhold work product. The Consultant agrees that, to the extent permitted by law, any and all work product will exclusively be deemed "works for hire" within the meaning and purview of the United States Copyright Act, 17 U.S.C. § 101 et seq subject to the terms of this Agreement. To the extent any work product does not qualify as a "work for hire," the Consultant irrevocably grants, assigns, and transfers to the City all right, title, and interest in and to the work product in all media throughout the world in perpetuity and all intellectual property rights therein, free and clear of any liens, claims, or other encumbrances, to the fullest extent permitted by law. All intellectual property, Confidential Information, and work product will at all times be and remain the property of the City. The Consultant will execute all documents and perform all acts that the City may request in order to assist the City in perfecting or protecting its rights in and to the work product and all intellectual property rights relating to the work product. All of the foregoing items will be delivered to the City upon demand at any time and in any event, will be promptly delivered to the City upon expiration or termination of this Agreement within three days after a demand. In addition, the Consultant will return the City's data in the format requested by the City. If any of the above items are lost or damaged while in the Consultant's possession, those items will be restored or replaced at the Consultant's expense.

C. Freedom of Information Act and Local Records Act. The Consultant acknowledges that this Agreement, all documents submitted to the City related to this Agreement, and records in the possession of the Consultant related to this Agreement or the

Services may be a matter of public record and may be subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, and any other comparable state or federal laws now existing or adopted later (collectively, the “**Disclosure Laws**”). In the event that the City requests records from the Consultant, the Consultant shall promptly cooperate with the City to enable the City to meet all of its obligations under the applicable Disclosure Law. The Consultant acknowledges and agrees that the determination as to whether information in the records is exempt from disclosure or should be released to the public will be made by the City in its sole and absolute discretion.

D. Injunctive Relief. In the event of a breach or threatened breach of this Section 5, the City may suffer irreparable injury not compensable by money damages and would not have an adequate remedy at law. Accordingly, the Consultant agrees that the City will be entitled to seek immediate injunctive relief to prevent or curtail any breach, threatened or actual. The rights provided under this Section 5.D are in addition and without prejudice to any rights that the City may have in equity, by law or statute. The Consultant will fully cooperate with the City in identifying the scope of any improper use or dissemination of data protected by this Section 5 and will assist the City in any notification efforts required by law.
