## STORMWATER MANAGEMENT EASEMENT AGREEMENT

THIS AGREEMENT (“*Agreement*”) is dated as of this 16<sup>th</sup> day of October, 2025 (“*Effective Date*”), by and between the **CITY OF WARRENVILLE**, an Illinois home rule municipal corporation (“*City*”), and **WARRENVILLE PARK DISTRICT**, an Illinois municipal corporation and body politic (“*Owner*”) (collectively, the City and the Owner are the “*Parties*”).

**IN CONSIDERATION OF** the mutual covenants and agreements set forth in this Agreement and other good and valuable consideration the receipt and sufficiency of which is acknowledged by the Parties and pursuant to the City's home rule powers, the Parties agree as follows:

### **SECTION 1. BACKGROUND.**

**A.** The Owner is the owner of certain real estate commonly known as Sesquicentennial Park, Warrenville, Illinois and legally described in **Exhibit A**, attached to and made a part of this Agreement (“*Property*”).

**B.** Pursuant to the DuPage County Stormwater & Floodplain Ordinance, which has

been adopted by reference into the Warrenville City Code (“*Ordinance*”), the City has jurisdiction to enforce the Ordinance within the City’s corporate boundaries.

C. The Property is currently improved with, among other improvements, a sand volleyball court that the Owner desires to replace with a pickleball court (“*Impervious Improvement*”).

D. Pursuant to Section 15-63 of the Ordinance, the construction of the Impervious Improvement requires the Owner to install a Post Construction Best Management Practice for stormwater runoff (“*PCBMP*”) on the Property.

E. Section 15-55.D.1 of the Ordinance requires the Owner to dedicate sufficient permanent easement rights to any governmental unit having drainage or stormwater management jurisdiction over the property on which a PCBMP is located for the purpose of inspecting and maintaining the PCBMP,

F. The Owner and the City have determined that it is in their respective best interests to enter into this Agreement in order to provide the City with a sufficient property interest in the Property to comply with the Ordinance and fulfill the purposes described in this Agreement.

**SECTION 2. MAINTENANCE BY OWNER.** The Owner must maintain, operate and repair the PCMBP and the portions of the Property that contain the PCMBP, which portions are legally described and depicted on **Exhibit B**, attached to and made a part of this Agreement (collectively, the “*Stormwater Management Easement Premises*”) at all times in a manner consistent with this Agreement and the plans and specifications approved by the City (and upon request, furnish proof of compliance with the plans). No permanent building, or utility facilities shall be constructed on the Stormwater Management Easement Premises by the Owner, or the Owner's successors in interest.

**SECTION 3. MAINTENANCE BY CITY.** If after written notice, the Owner fails to maintain the Stormwater Management Easement Premises or the PCMBP as required by Section 2 of this Agreement and the Ordinance within 30 days, the City may perform the maintenance on the Stormwater Management Easement Premises and the PCMBP; provided, however, that the City may enter upon the Property and perform such maintenance work as should have been undertaken by the Owner, without notice to the Owner, in an emergency (e.g. where personal injury or material damage to property may be imminent). The Owner shall be liable for the cost of any maintenance performed by the City pursuant to this Agreement and must promptly reimburse the City for such costs, with interest at a statutory pre- judgment rate calculated from the date of expenditure, within 60 days after the City provides the Owner with a detailed invoice.

**SECTION 4. GRANT OF EASEMENT.** The Owner grants, conveys and dedicates to the City a perpetual non-exclusive easement in, at, over, along, across, through, upon and under the Stormwater Management Easement Premises, solely to inspect, maintain, and repair and replace the Stormwater Management Easement Premises and the PCMBP, together with all reasonable rights of ingress and egress over, along, across, and upon the Property necessary for the exercise of the rights granted in this Agreement.

**SECTION 5. ENFORCEMENT.** In addition to other remedies provided for in this Agreement, upon the Owner's failure to maintain the Stormwater Management Easement area (after notice where required as aforesaid) or to comply with the terms of this Agreement, the City shall be entitled to all remedies at law or equity to enforce this agreement, including all remedies for the abatement of a nuisance, which remedies shall be cumulative and not exclusive. If a judgment is entered against the Owner, the Owner shall pay all reasonable attorneys' fees and costs of the City. The City shall not be liable to the Owner or any party

claiming through the Owner for any damage caused by it in the performance of any maintenance undertaken pursuant to this agreement. Failure to enforce a right granted hereunder shall not be deemed a waiver of such right or any other rights hereunder. No party shall be liable for failure to enforce the provisions hereof.

**SECTION 6. COVENANTS RUNNING WITH THE LAND.** The easement and rights granted in this Agreement, the restrictions imposed by this Agreement, and the agreements and covenants contained in this Agreement are and will be easements, rights, restrictions, agreements and covenants running with the land, are to be recorded against the Property, and are binding upon and inure to the benefit of the Owner and the City and their respective heirs, executors, administrators, successors, assigns, agents, licensees, invitees, and representatives, including, without limitation, all subsequent owners of the Stormwater Management Easement Premises and all persons claiming under them. If any of the easements, rights, restrictions, agreements or covenants created by this Agreement would otherwise be unlawful or void for violation of: (a) the rule against perpetuities or some analogous statutory provision, (b) the rule restricting restraints on alienation, or (c) any other statutory or common law rules imposing time limits, then such easements, rights, restrictions, agreements or covenants will continue only until 21 years after the death of the last survivor of the now living lawful descendants of the current Governor of the State of Illinois.

**SECTION 7. ASSIGNMENT OF RIGHTS.** The Owner agrees that the City may assign its rights or delegate its duties under this Agreement to any assignee: (a) who is reasonably competent to exercise the rights granted herein and the obligations imposed herein; and (b) who makes adequate assurances to the Owner that any activity performed pursuant to such assignment or delegation will be conducted in a good and workmanlike manner.

**SECTION 8. GENERAL PROVISIONS.**

**A. Notices.** All notices required or permitted to be given under this Agreement must be given by the Parties by: (i) personal delivery; (ii) deposit in the United States mail, enclosed in a sealed envelope with first class postage thereon; or (iii) deposit with a nationally-recognized overnight delivery service, addressed as stated in this Section 10.A. The address of any party may be changed by written notice to the other Parties. Any mailed notice will be deemed to have been given and received within three days after the same has been mailed and any notice given by overnight courier will be deemed to have been given and received within 24 hours after deposit. **B. Amendment.** No amendment or modification to this Agreement will be effective until it is reduced to writing and approved and executed by the Parties to this Agreement in accordance with all applicable statutory procedures.

**C. Authority to Execute.** The City hereby warrants and represents to the Owner that: (i) the persons executing this Agreement on its behalf have been properly authorized to do so by the City; (ii) the City has the full and complete right, power, and authority to enter into this Agreement and to agree to the terms, provisions, and conditions set forth in this Agreement; (iii) all legal actions needed to authorize the execution, delivery, and performance of this Agreement have been taken; and (iv) neither the execution of this Agreement nor the performance of the obligations assumed by the City will violate any statute, law, restriction, court order, or agreement to which the City is subject. **D. Recording.** The Owner will record this Agreement against the Property with the Office of the DuPage County Recorder's Office promptly following the full execution of this Agreement by the Parties.

E. **Non-Waiver.** The City and the Owner will be under no obligation to exercise any of the rights granted to each of them in this Agreement. The failure of any party to exercise at any time any right granted to such party is not to be deemed or construed to be a waiver of that right, nor will the failure void or affect any party's right to enforce that right or any other right.

F. **Interpretation.** This Agreement is to be construed without regard to the identity of the party who drafted the various provisions of this Agreement. Moreover, each and every provision of this Agreement is to be construed as though the Parties participated equally in the drafting of this Agreement. As a result of the foregoing, any rule or construction that a document is to be construed against the drafting party is not applicable to this Agreement.

G. **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties and supersedes any and all prior agreements and negotiations between the Parties, whether written or oral, relating to the easements granted pursuant to this Agreement. All representations and warranties contained in this Agreement will survive the expiration and termination of the permanent and temporary easement rights herein granted.

IN WITNESS WHEREOF, the City and Owner have caused this Agreement to be executed as of the Effective Date by their respective duly authorized representatives.
