

# DUPAGE COUNTY

STORMWATER MANAGEMENT

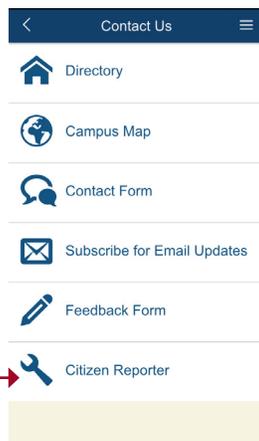

## WATER QUALITY COLLECTOR APP

DuPage County Stormwater Management is offering citizens the opportunity to assist in the County's watershed planning process, specifically by identifying areas for water quality improvements. Citizens may help by reporting water quality issues within their respective watershed, and doing so is easier than ever with the County's new citizen reporter web app!

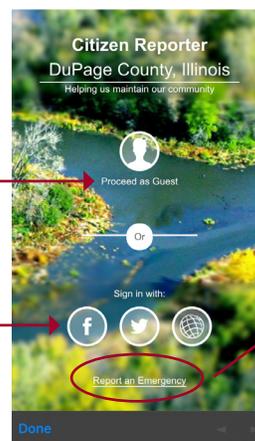

The web app can be accessed directly at [gis.dupageco.org/citizenreporter](http://gis.dupageco.org/citizenreporter) or through the "Navigate DuPage" app for iOS and Android devices. Follow the simple instructions below to begin reporting today!

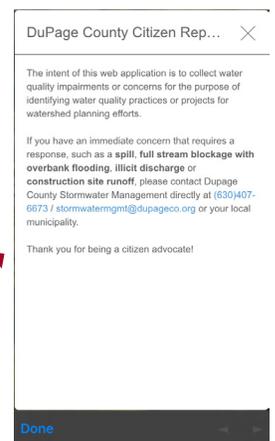

Click "Contact Us."

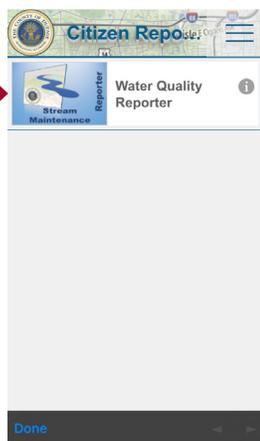

Click "Citizen Reporter."

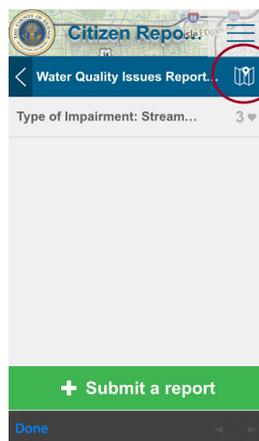

Proceed as a guest or with existing account.

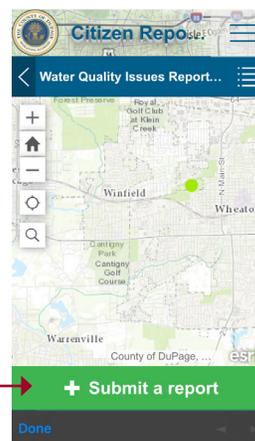

Follow these steps for emergencies.

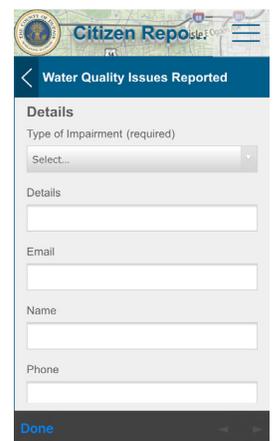

Click "Water Quality Reporter."

View list or map of existing reports.

Click "Submit a Report" for a new report.

Report your water quality observations!

Daniel J. Cronin, DuPage County Board Chairman
