City of Warrenville  
3S258 Manning Ave.  
Warrenville, IL 60555

Dear Mayor Brummel,

Members of the Operation Safe Celebration Committee (OSC) of Wheaton North and Wheaton Warrenville South High Schools are already at work planning Post Prom 2017. Post Prom parties will take place at the Community Center this year. We are appealing to you as a prior contributor for help in sponsoring the post prom events on April 29<sup>th</sup> (Wheaton North) and May 20<sup>nd</sup> (Wheaton Warrenville South).

We want to stress the success of this event in bringing together all facets of the community. We receive contributions from individuals, schools, service organizations, business and governmental bodies. This allows us to offer our teenagers a safe and substance free evening on prom night. Approximately 1300 students participated in the 2016 post prom parties. We expect a similar number in 2017. Post prom is open to junior and seniors, whether or not they attend prom.

Your past support of this program is greatly appreciated. The success of this event depends on your continued contribution. It truly is an investment in the future.

We hope to provide this outstanding event for teens for years to come. It is our hope that seeing the positive impact of your contribution in our community will encourage you to assist us with a financial contribution for Post Prom in spring of 2017.

If you have any questions please feel free to contact us.

Sincerely,

OSC Fundraising Chairperson  
Kelly Woodall/postpromfundraising@gmail.com

## Operation Safe Celebration Post Prom 2017

The goal of Operation Safe Celebration is to provide students with a **safe, sober and substance free** environment after prom. Through a collaboration between Wheaton North and Wheaton Warrenville South parents and the Wheaton Park District, the parties have grown to include the support of hundreds of volunteers and individuals, businesses and community donors.

**Date:** Wheaton North Post Prom, Saturday, April 29, 2017  
Wheaton Warrenville South Post Prom, Saturday, May 20, 2017

**Place:** Wheaton Community Center, 1777 S. Blanchard. This year's theme is "**Game On**".

**For:** All Juniors and Seniors are invited. Students do not need to attend their school's prom to go to Post Prom.

Nearly 1,300 students attended Post Prom in 2016. We expect a similar number in 2017.

**Wheaton North and Wheaton Warrenville South committees are working together to plan the events and are looking for financial support from individuals, businesses, schools, service organizations and community donors. We hope to provide Post Prom for years to come and rely on these contributions for the future success of this event.**
