<b>Tree Replacement Options</b>	<input type="checkbox"/>	I would like the City of Warrenville to replace my Ash Borer tree with a _____	
	<input type="checkbox"/>	If my first choice tree is not available I would like the City of Warrenville to replace my Ash Borer tree with a: _____	
	<input type="checkbox"/>	If my first choice tree is not available I will wait until such time as the City is able to secure my desired tree.	

*I understand that the City will pay for the initial replacement tree which I am responsible to water. Replacement requests will be evaluated by City staff using the Arboricultural and Open Space Manual as the basis for approval or denial. If this tree dies due to lack of water and the City removes it, I will then have the choice of no tree, or paying for a new replacement tree. Please mark the location within the ROW you desire the tree to be planted.*
