

CITY OF  
WARRENVILLE

IN PARTICIPATION WITH **DUPAGE** COUNTY  
CONVENTION & VISITORS BUREAU

# Welcome to Warrenville

The City of Warrenville is a family-friendly community centered in the nationally recognized I-88 research and development corridor and surrounded by public open space.

Come to Warrenville, a city with a history rich in American tradition, "for a visit or for a lifetime."

## LODGING

Warrenville offers hotels to fit every need and budget, including: Candlewood Suites, Hilton Garden Inn, Hyatt House, Hyatt Place, Residence Inn by Marriott, and SpringHill Suites by Marriott.

## DINING

Warrenville is rich with dining opportunities, including recognizable chain restaurants and hometown establishments. Area favorites are Eddie Merlot's Warrenville and Two Brothers Brewing Company & Tap House, a family owned and operated microbrewery and brewpub. For a complete list of Warrenville restaurants, visit [www.warrenville.il.us/v\\_dining.aspx](http://www.warrenville.il.us/v_dining.aspx).

## SHOPPING

Warrenville's award winning Cantera development surrounds the I-88/Winfield Road interchange and offers a multiplex movie theater and entertainment complex, five hotels, a world class fitness center, corporate office buildings, more than 20 restaurants, a SuperTarget and a variety of service establishments.

Warrenville is also close to several other major shopping areas and a comfortable drive to Chicago.

## ATTRACTIONS

Located on the banks of the West Branch of the DuPage River, Warrenville is surrounded by five Forest Preserves and Fermi National Accelerator Laboratory. Together, they encompass 10,000 acres of open space that provides recreational opportunities, such as fishing, canoeing, cross country skiing, and camping.

For joggers, equestrians, and bike riders, Warrenville's 30 miles of multi-use paths interconnect various regional trails including the Illinois Prairie Path and the West Branch of the DuPage River Regional Trail. The community possesses a trail density of .84 miles of trail/square mile; second highest in DuPage County.

Warrenville, abundant with art and sculpture, has produced a number of locally and nationally known artists. The Warrenville Historical Museum, located in an 1858 Greek Revival former Methodist Church, was once used as a studio by renowned artist, Ivan Albright.

The jewel of the Cantera Entertainment District is the Regal Cantera Stadium Theater, which boasts 17 movie screens, featuring the Regal Premium Experience: a high end, big screen theater experience that rivals Imax.

One of a kind educational opportunities and park facilities are just a stone's throw away at Fermi National Accelerator Laboratory and Cantigny Park. Fermilab offers regular tours and an array of concerts, art exhibits, films, science lectures and folk dancing events. The facility has a large network of multi-use trails, restored tall grass prairie, and is home to a herd of bison.

The 500 acre Cantigny Park contains vast formal gardens, nature trails, picnic areas, an award winning 27-hole golf course, a 9-hole youth links course, banquet facilities, and two history-rich military museums.
